Parent Information

ParentMail Update

Thank you again for your patience while our ParentMail system updated.

Please ensure that your app is working as expected. Some parents, whose children have recently transitioned from Year 2 to Year 3, may have received a link to connect their child to Diss Junior School. If you are still experiencing any issues, please contact the school office, and our team will be happy to assist you.

Medication and Inhalers

If your child requires medication or an asthma inhaler while at school, please bring it directly to the main school office so our team can properly log it.

To ensure the safety of all students, please do not send medication in your child's backpack or hand it directly to their class teacher.

Health Care Plans

Health Care Plans will be sent home with your child for an annual review. Please read and check them carefully. If you are happy with it, please sign and return it to the school office as soon as possible. As with medications, please do not return these documents to the class teacher or in your child's backpack, they need to be returned directly to the school office.

Parents Evening including SEND

Parents Evening will take place on the following dates:

Infant School

Monday 21st September - 3.30pm - 6.30pm

Wednesday 23rd September - 4pm - 7pm

Junior School

Tuesday 22nd September - 3.10pm - 6.10pm

Thursday 24th September - 4pm - 7pm

Appointments will be available to book via your Parentmail App. A message will be sent confirming when the appointments are live.

Year 6 London Trip

Every year at Diss, and the last 2 years at Scole, we have offered Year 6 children the opportunity of a residential to London. The trip has always been an amazing and memorable experience for all of the children who have previously participated. However, we have seen a significant increase in cost. We are currently being quoted between **£300 - £320 per child**. Before we ask for people to put down deposits, we would like to ascertain whether this is a trip that is still of interest and accessible to our families. Please answer this short form, by completing this [form](#) your child will automatically be allocated a place.
